PLEASE NOTE: ANY SIZES BIGGER THAN 1800 CAN BE MADE TO ORDER- Please discuss this with our team														

DIMENSIONS

- * All dimensions in mm unless specified.
- * Dimensions may slightly vary from above sizes.
- * Standard hole openings to fit Spun RCP/Flush Joint MCG-Ele Pipe, special openings up to this diameter can be made to order.
- * RCP collar dimensions restrict the upper sizes for inlet structures - see MCG Ele Pipe brochure for pipe dimensions.

INSTALLATION

- * Swift Lifts are cast into the structure of the units for easy and safe handling & installation.
- * The gap between the pipe & wingwall opening should be sealed with epoxy mortar. Please ask our friendly team for advice.
